WEYMOUTH NORTH and VOCATIONAL TECHNICAL HIGH SCHOOL

'85 the class with class, which we proved to be.
Freshmen year our chance to be on top vanished
The last step on the ladder again; they refused to listen to our plea

400 freshmen from three different rivaling junior highs
Overcame those rivalaries to unite as the class of '85.
Weymouth North High's first four year class, no one knew what to expect
But what then was the present is now the past.
What the future would have brought, no one could detect.

The spirit of the class, the pride of the school
The fads that we went through:
"Barf me out," "Gag me with a spoon"
"Friends forever," said so many times
"He cheated on me with her,
That best friend of mine."

Graduation has arrived: time to go our own ways.
Friendships made — meant to last — now may go astray.
Seniors now! Time has gone.
Four years of memories: dances, pep rallies, and games will not fade away but linger on.

Michelle Akoury

We dedicate this yearbook in loving memory of **Kenneth M. Knowles, Jr.** Weymouth North High School Mathematics Department.

THEY NEVER QUITE LEAVE US

They never quite leave us, our friends who have passed
Through the shadows of death to the sunlight above;
A thousand sweet memories are holding them fast
To the places they blessed with their presence and love.
The work which they left and the books which they read
Speak mutely, though still with an eloquence rare.
And the songs that they sang, the words that they said,
Yet linger and sigh on the desolate air.
And oft when alone, and oft in the throng,
Or when evil allures us, or sin draweth nigh,
A whisper comes gently, "Nay, do not the wrong,"
And we feel that our weakness is pitied on high.

The Varsity team finished 11-5 for the Old Colony League and they tied for first place with Plymouth-Carver. In the tournament they played division one, in the quarter final round. They lost to the top team, Norwood.

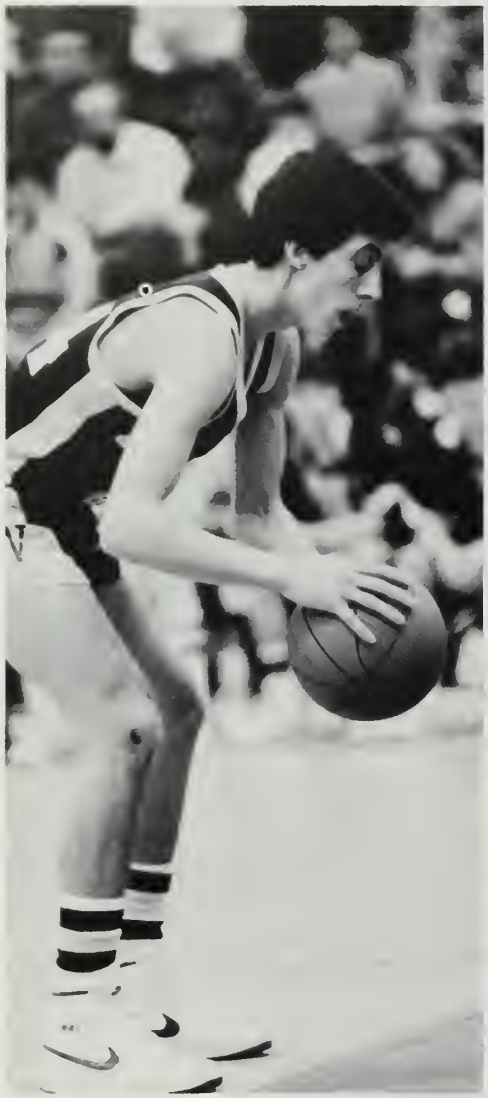
The starting team was made up of all seniors except center-fielder Jim Cavallo.

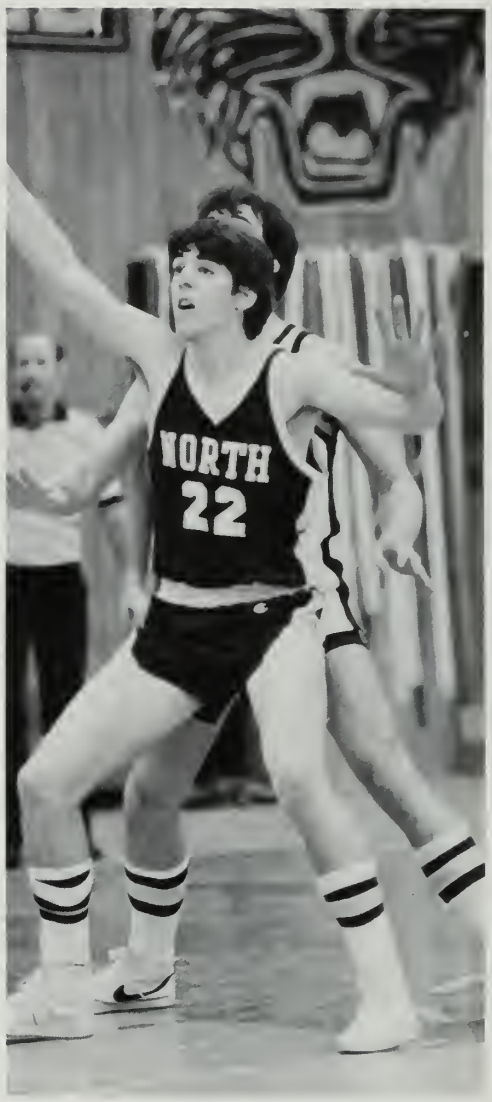
The entire pitching staff, however, was underclassmen: Mike Shaw, Lars Lambros, Mike Marshall and Jim Gilboy.

The Junior Varsity Squad finished first with a 13-3 record, headed by pitchers Mike Marini and Tom Spano. The leading hitters were Brian Baumeister, Mike Mahoney and Geff Daley.

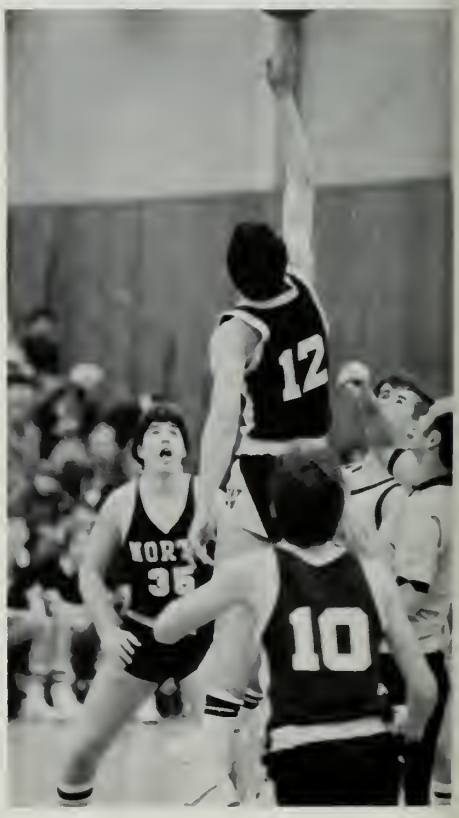
(back) John Smith, Mike Shaw, Lars Lambros, Mike Marshall, Jimmy Cavallo, Coach Van Neste. (front) Ed Foster, Bill Ketchin, Scott Fowler, Bob MacKenzie, Mike Flynn, Ron Long, Mike Joyce, Rich Hughes.

BASEBALL





Standing: Mark Reddish, Mike Mathison, John Breed, Bill Doyle, Matt Rinella, Billy McGuirk. Kneeling: John Rundle, Rich Lindblum, Arthur McCarthy, Tony Comperchio, Mike West.



BOYS BASKETBALL

North's 84-85 season was, to say the least, very productive. North defeated South twice and also made it to the State Tournament. The team was led by senior tri-captains Brian Connors, Lars Lambros, and Jack Mathison. Mike Marshall and Steve Rodden filled the other starting spots. The team got help from Bob West, Peter Newman, John Mahoney, and Brian Chaison. The team enjoyed its finest year in over a decade, due to hard work and the fine coaching of Terry Morreli.

The Last Thing in the World You Should Be Worried About is Your Insurance Agent!

If your agent gives you worries, call the Big I Guys at Kalafatas Insurance. We're accepting applications now for 1985 Auto Insurance. But if you prefer doing business with a big, impersonal company in a faraway city — a company that sends you mail addressed, "Dear Policy Holder," and gives you a little card with a toll free number direct to an anonymous voice in their home office — go ahead.
But remember, to talk to one of the Big I Guys at Kalafatas Insurance, you could darn near get by with two paper cups and a string!

GIRLS VOLLEYBALL

The 1984 Girls Volleyball Team finished the season with a 2-7 record. Only in its second year of competition, the two victories marked the first for a North team. The Girls showed steady improvement throughout the year. Led by seniors Sharon Brigham, (captain) Lisa Foley, Mary DeNault and sophomores Tricia Sipola, Laura Cameron and Diane Ruane, the girls came very close to winning 3 other games. With a year of competition behind them and 3 starters returning, things look good for Volleyball at W.N.H.S.

Top: Tricia Sipola, Nicole Johnson, Cathy Cocce, Laura Cameron, Diane Ruane, Jeanne Heine, Lisa Marisola, Lisa Rossi, Middle: Michele Akoury, Lisa Foley, Stephanie Baker, Janine Reiser, Joni Sullivan, Theresa Cavallo, Marianne George, Front: Maureen McGonnigal, Sharon Brigham, Mary Denault.

It is hard to believe that this is the end of our education. We've been at North High for the past four years. At first we felt like guinea pigs because we were the first freshman class. We even tested the teachers because they weren't used to having ninth graders in the high school. We proved that it could be done and done well! Most of us had some pretty hard times but each of us came out of them very well.

The saying holds true in studying as in sports: where there is no pain, there is no gain. For the past four years we have gone through a great deal together. That is the reason we are such a good class! We are like family.

Don't look back on your high school years because they are said to be the best years of your life. Instead keep in touch with friends, because a first friend is the longest to last.

I wish each and every senior the best and let's remember that the class of "85" is the class with CLASS.
